## Gutierrez Studios | Table Lamp

Gutierrez Studios produces high quality products for the built environment. We proudly make everything by hand, the old-fashioned way, one at a time in our Baltimore workshop.

This custom table lamp was designed by Gutierrez Studios own craftsmen, Robert Taylor. It has a sand-blasted ash base with a hand-rubbed 'ceruse-style' finish, a technique designed to draw out the detail and character of the grain. This is a one-of-a-kind piece that will enhance your home & last a lifetime!
